

The edited volume titled  
**-Democracy Tested: The Case of Malawi's  
2019 Tripartite Elections** is fifth in the series of  
books on Malawi's election.

The authors of various chapters in this volume  
have approached the 2019 Tripartite  
Elections from diverse angles and perspectives  
comprising of the context of these elections,  
and the role played by various institutions and  
the electoral outcome.

It is our hope that this approach applied to  
Malawi's experience offers a thorough and  
accurate basis for further discussion on how the  
country's democracy and electoral processes can  
be strengthened in the future.

# DEMOCRACY TESTED

MALAWI'S 2019 TRIPARTITE ELECTIONS
